

## Request to Withdraw Rezoning Application No 2015-632 – Primrose School Franchising Company

December  
13, 2015

Mr. Mayor and Members of the Town Board, Rezoning Application No. 2015-632 is on your Monday, December 14, 2015 agenda for potential action. Primrose School Franchising Company is the Applicant under Rezoning Application No. 2015-632, and this Rezoning Application concerns a site located on Park Center Drive.

Primrose was attempting to amend this Rezoning Application by redesigning the site plan and building elevations, and by adding property owned by an OrthoCarolina entity to the rezoning request. However, Primrose was advised by OrthoCarolina on Thursday that OrthoCarolina has decided not to sell the relevant property to Primrose. Primrose is now no longer in a position to amend this Rezoning Application in a timely fashion.

As a result, Primrose is respectfully requesting that the Town Board allow Primrose to withdraw this Rezoning Application.

Primrose and I appreciate your consideration of this request.
