**APPLICATION FOR CHANGE IN ZONING CLASSIFICATION  
OR CHANGE IN CONDITIONS  
(SEE FILING INSTRUCTIONS)**

TO: Town of Matthews Board of Commissioners  
 Town of Matthews Planning Board  
 232 Matthews Station Street  
 Matthews, North Carolina 28105-6713

Ladies and Gentlemen:

Your consideration of this petition is requested for:

- A change in zoning classification of the property hereinafter described; or
- A change in conditions to an existing conditional zoning plan.

Tax parcel number(s): 21506115

Address of property: approximately 14 acres (+/-) located at the intersection of CPCC Lane and I-485

Location of property:

Title to the property was acquired on September 20, 2013  
 and was recorded in the name of The Trustees of Central Piedmont Community College  
 whose mailing address is P. O. Box 35009, Charlotte, NC 28235

The deed is recorded in Book 28713 and Page 1 in the office of the Register of Deeds for Mecklenburg County.

Present zoning classification: R-20 and R-1 Requested zoning classification: B-3 (CD)

List reason(s) why zoning should be changed (use separate sheet if necessary):

ATTACHMENT TO REZONING APPLICATION NO. 2016-642

List reason(s) why zoning should be changed.

CPCC desires to rezone the applicable parcel to a B-3(CD) zoning classification since the current zoning classification, unlike B-3 does not allow for parking as a primary use. If rezoned to B-3(CD), CPCC intends to use the parcel for surface parking in connection with CPCC's adjacent Levine Campus. CPCC plans to construct a new 90,000 square foot building on its existing Levine Campus (Tax Parcel 215-232-01) to include facilities, classrooms and offices. CPCC proposes to develop the 14 acres for the construction of a 333 space parking lot to accommodate the need for additional parking. The Levine Campus currently has a shortage of parking. The remaining portion of the parcel will be used for future expansion of the Levine Campus.

Application number  
2016-642  
For office use only

**SUMMARY OF THE REZONING PROCESS**

*PETITIONER:* Fill in dates for each action below before filing application. Refer to the current Planning Department rezoning schedule for correct dates.

*PROPERTY OWNERS:* These dates are assumed to be correct at the time of zoning application submittal but are subject to revision. Contact the Planning Department (704-847-4411 or email blynd@matthewsnc.gov) for verification.

Application submitted to and accepted by the Town of Matthews December 29, 2015  
Town Board of Commissioners formally accepts application and sets Public Hearing date January 11, 2016  
Notices sent via mail to affected/adjacent property owners on or before February 29, 2016  
Protest petition filed with Planning Department by 5:00 pm on \_\_\_\_\_  
Public hearing: petitioner may give explanation of why s/he wishes to have property rezoned and neighboring owners may ask questions and voice opinions on the proposed zoning March 14, 2016  
Town Planning Board reviews petition, information, and comments from the public hearing, then makes a recommendation to the Board of Commissioners on whether to approve or deny the request March 22, 2016  
Town Board of Commissioners approves or denies application April 11, 2016

**GENERAL STATUTE 160A-385: CHANGES.**

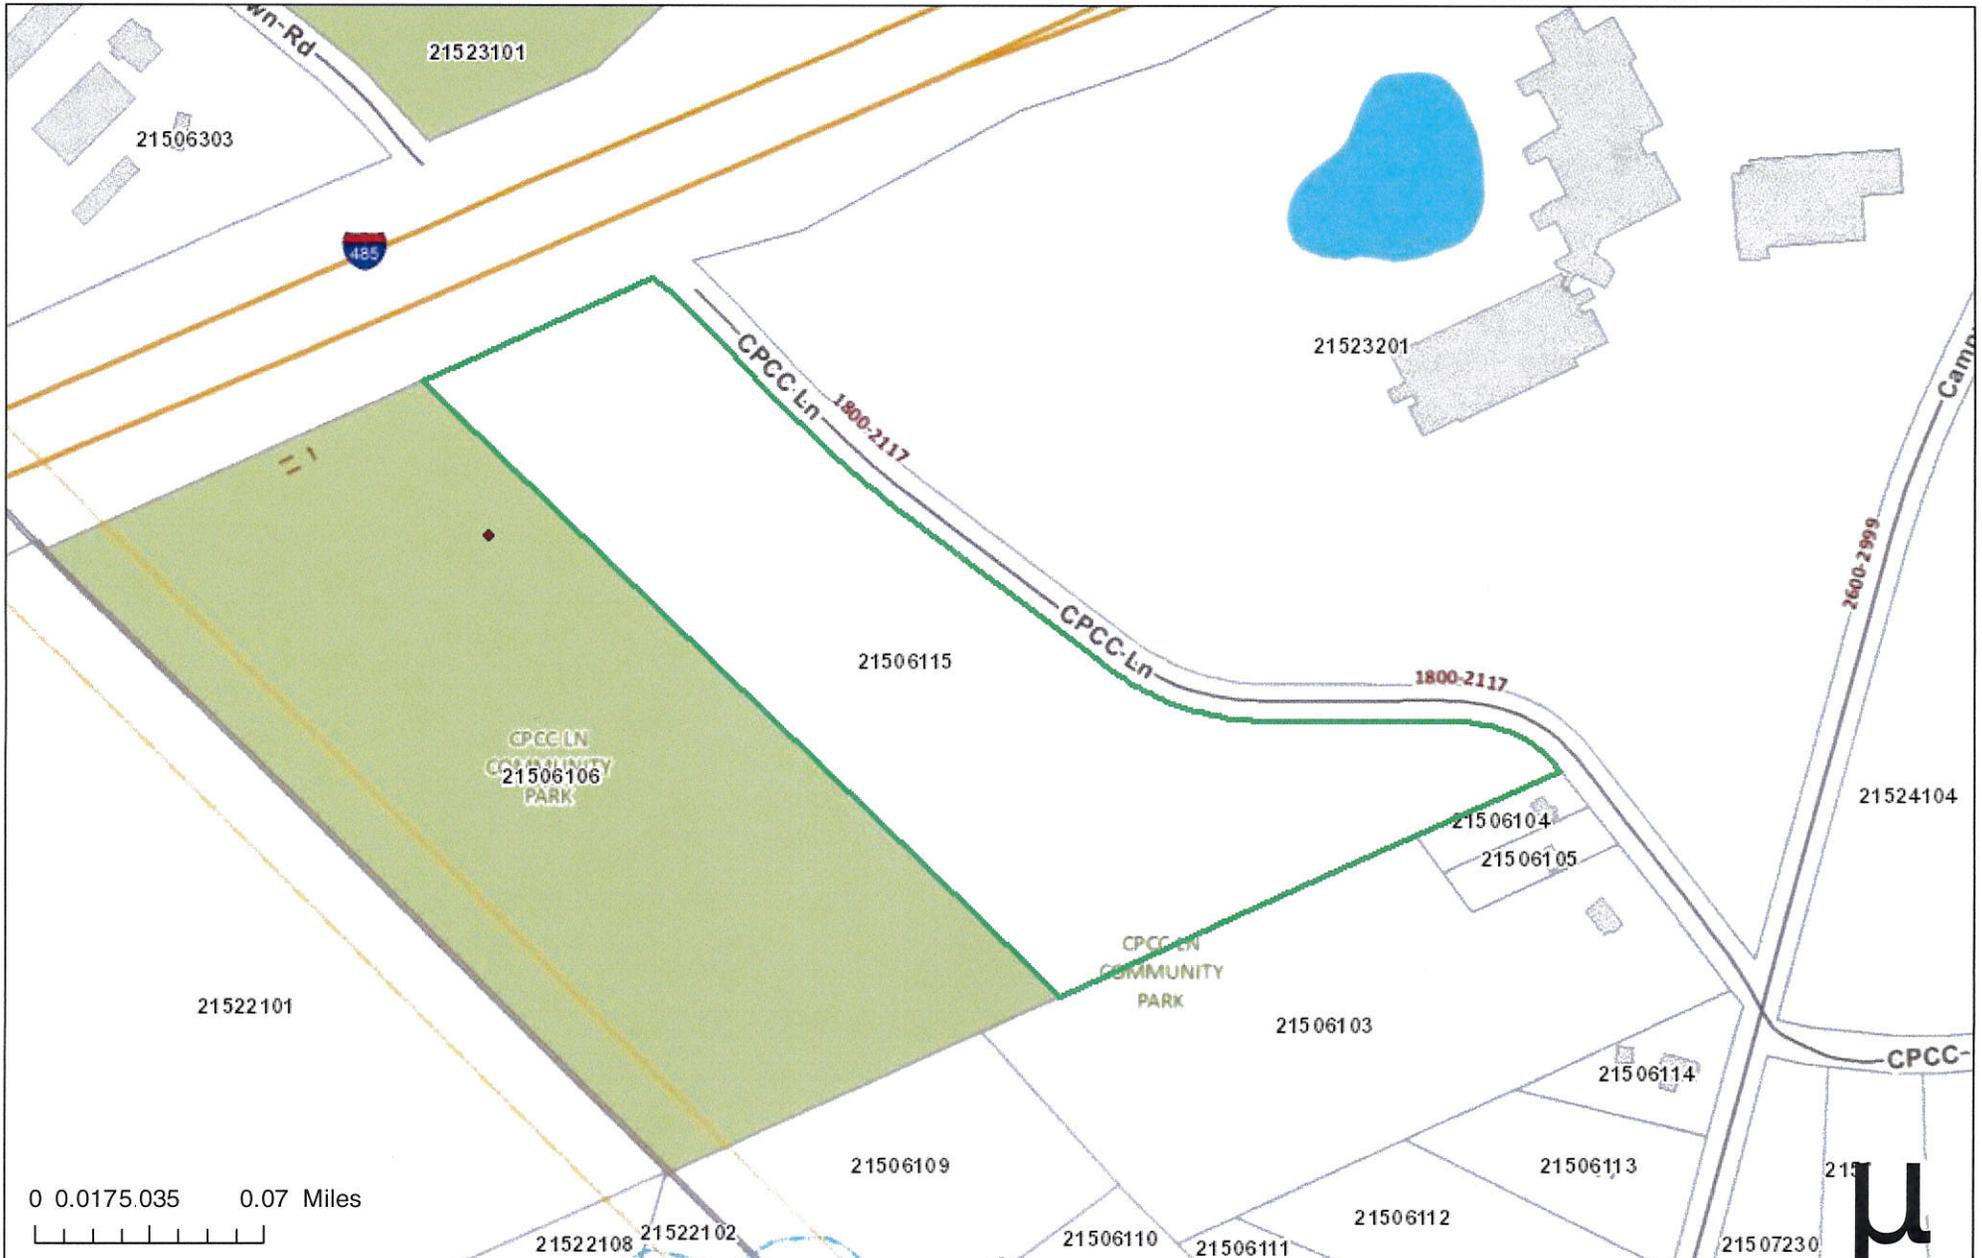

- (a) Zoning ordinances may from time to time be amended, supplemented, changed, modified or repealed. In case, however, of a qualified protest against a zoning map amendment, that amendment shall not become effective except by favorable vote of three-fourths of all the members of the city council. For the purposes of this subsection, vacant positions on the council and members who are excused from voting shall not be considered "members of the council" for calculation of the requisite supermajority. To qualify as a protest under this section, the petition must be signed by the owners of either (i) twenty percent (20%) or more of the area included in the proposed change or (ii) five percent (5%) of a 100-foot wide buffer extending along the entire boundary of each discrete or separate area proposed to be rezoned. A street right of way shall not be considered in computing the 100-foot buffer area as long as that street right of way is 100 feet wide or less. When less than an entire parcel of land is subject to the proposed zoning map amendment, the 100-foot buffer shall be measured from the property line of that parcel. In the absence of evidence to the contrary, the city may rely on the county tax listing to determine the "owners" of potentially qualifying areas. The foregoing provisions concerning protests shall not be applicable to any amendment which initially zones property added to the territorial coverage of the ordinance as a result of annexation or otherwise, or to an amendment to an adopted (i) special use district, (ii) conditional use district, or (iii) conditional district if the amendment does not change the types of uses that are permitted within the district or increase the approved density for residential development, or increase the total approved size of nonresidential development, or reduce the size of any buffers or screening approved for the special use district, conditional use district, or conditional district.
- (b) Amendments in zoning ordinances shall not be applicable or enforceable without consent of the owner with regard to buildings and uses for which either (i) building permits have been issued pursuant to GS 160A-417 prior to the enactment of the ordinance making the change or changes so long as the permits remain valid and unexpired pursuant to GS 160A-418 and unrevoked pursuant to GS 160A-422 or (ii) a vested right has been established pursuant to GS 160A-385.1 and such vested right remains valid and unexpired pursuant to GS 160A-385.1

# Polaris 3G Map – Mecklenburg County, North Carolina

## CPCC LEVINE CAMPUS

2016-642  
12-29-2015

Date Printed: 12/3/2015 3:09:43 PM

This map or report is prepared for the inventory of real property within Mecklenburg County and is compiled from recorded deeds, plats, tax maps, surveys, planimetric maps, and other public records and data. Users of this map or report are hereby notified that the aforementioned public primary information sources should be consulted for verification. Mecklenburg County and its mapping contractors assume no legal responsibility for the information contained herein.

2016-642 12/29/15

CURRENT 2016-642  
3-3-2016

**1. GENERAL PROVISIONS:**

- These Development Conditions form a part of the rezoning petition filed by Central Piedmont Community College ("Petitioner" or "Owner") to accommodate the future development of an approximately 14.0 acre site located at 1800 CPCC Lane, Matthews, North Carolina, having Tax Parcel ID # 215-061-15, and which is more particularly depicted on the enclosed Site Plan (the "Site").
- Petitioner desires to rezone the Site from R-20 and R-1 to B-3 (CD) so that it will be compatible with its existing Levine Campus to allow for seamless expansion of the Existing Campus and harmonious development of the Site.
- Proposed plans currently call for the construction of a new 90,000 square foot building on the Existing Campus (Tax Parcel # 215-232-01) to include facilities, classrooms and offices. Proposed development of the Site calls for the construction of a new 360-space parking lot to accommodate the expansion of the Levine Campus. The Levine Campus expansion is expected to be completed in 2018. Petitioner reserves the right to develop the remaining portion of the Site for parking uses to serve the Levine Campus in accordance with the Ordinance.
- These Development Conditions, the Site Plan, Petitioner's Application for Rezoning ("Application") and any revisions thereof are collectively referred to as the "Rezoning Petition" or "Conditional Plan".
- The development depicted in the Rezoning Petition is schematic in nature, and except as otherwise specified in these Development Conditions, is intended to describe the possible arrangement of uses and site elements contiguous to CPCC Lane. Petitioner notes that the alignment and future expansion of Independence Pointe Parkway has not yet been determined. Consequently, the schematic depictions of the uses, parking areas and other site elements set forth on the Rezoning Petition assume the current location of CPCC Lane and can be revised prior to construction if there is a new alignment of CPCC Lane. The ultimate layout of the development proposed, the exact alignments of streets and points of access, the configuration and placement of parking areas, and the depictions of other site elements of the Rezoning Petition are preliminary graphic representations of the types and quality of development proposed. They may, therefore, be altered or modified during design development and construction document phases. Changes to the Rezoning Petition will be reviewed and approved as allowed by the Town of Matthews Unified Development Ordinance (the "Ordinance").
- Pursuant to Section 155.607.7(B) of the Ordinance, educational institutions must provide a minimum of ten (10) bicycle parking spaces per classroom. Due to the geographic location of the Site and the impracticality of most students commuting to the Site via bicycle, this requirement appears to be excessive and not applicable to the Site. Therefore, Petitioner intends to seek a text amendment to the Ordinance in accordance with Section 155.401 of the Ordinance to decrease the required number of bicycle parking spaces per classroom, or to request a zoning variance from the Board of Adjustment as part of the rezoning process.
- The development of this Site will be governed by the Rezoning Petition, the Site Plan, and the applicable provisions of the Ordinance.
- Alterations to the Conditional Plan are subject to Section 155.501.3(h) of the Ordinance.
- Please see attached exhibits:
  - RZ-1b Site Plan
  - RZ-1c Survey
  - RZ-3i Overall Campus Plan

**2. PERMITTED USES:**

- Development of the Site will be for parking lot and parking garage/structure uses and any accessory uses associated therewith, or incidental thereto, that are permitted by right or under prescribed conditions under the Ordinance in the B-3 zoning district.

**3. LIGHTING:**

- Any lighting installed on the Site shall comply with the requirements of the Ordinance. A lighting plan will be submitted prior to construction.

**4. TRANSPORTATION:**

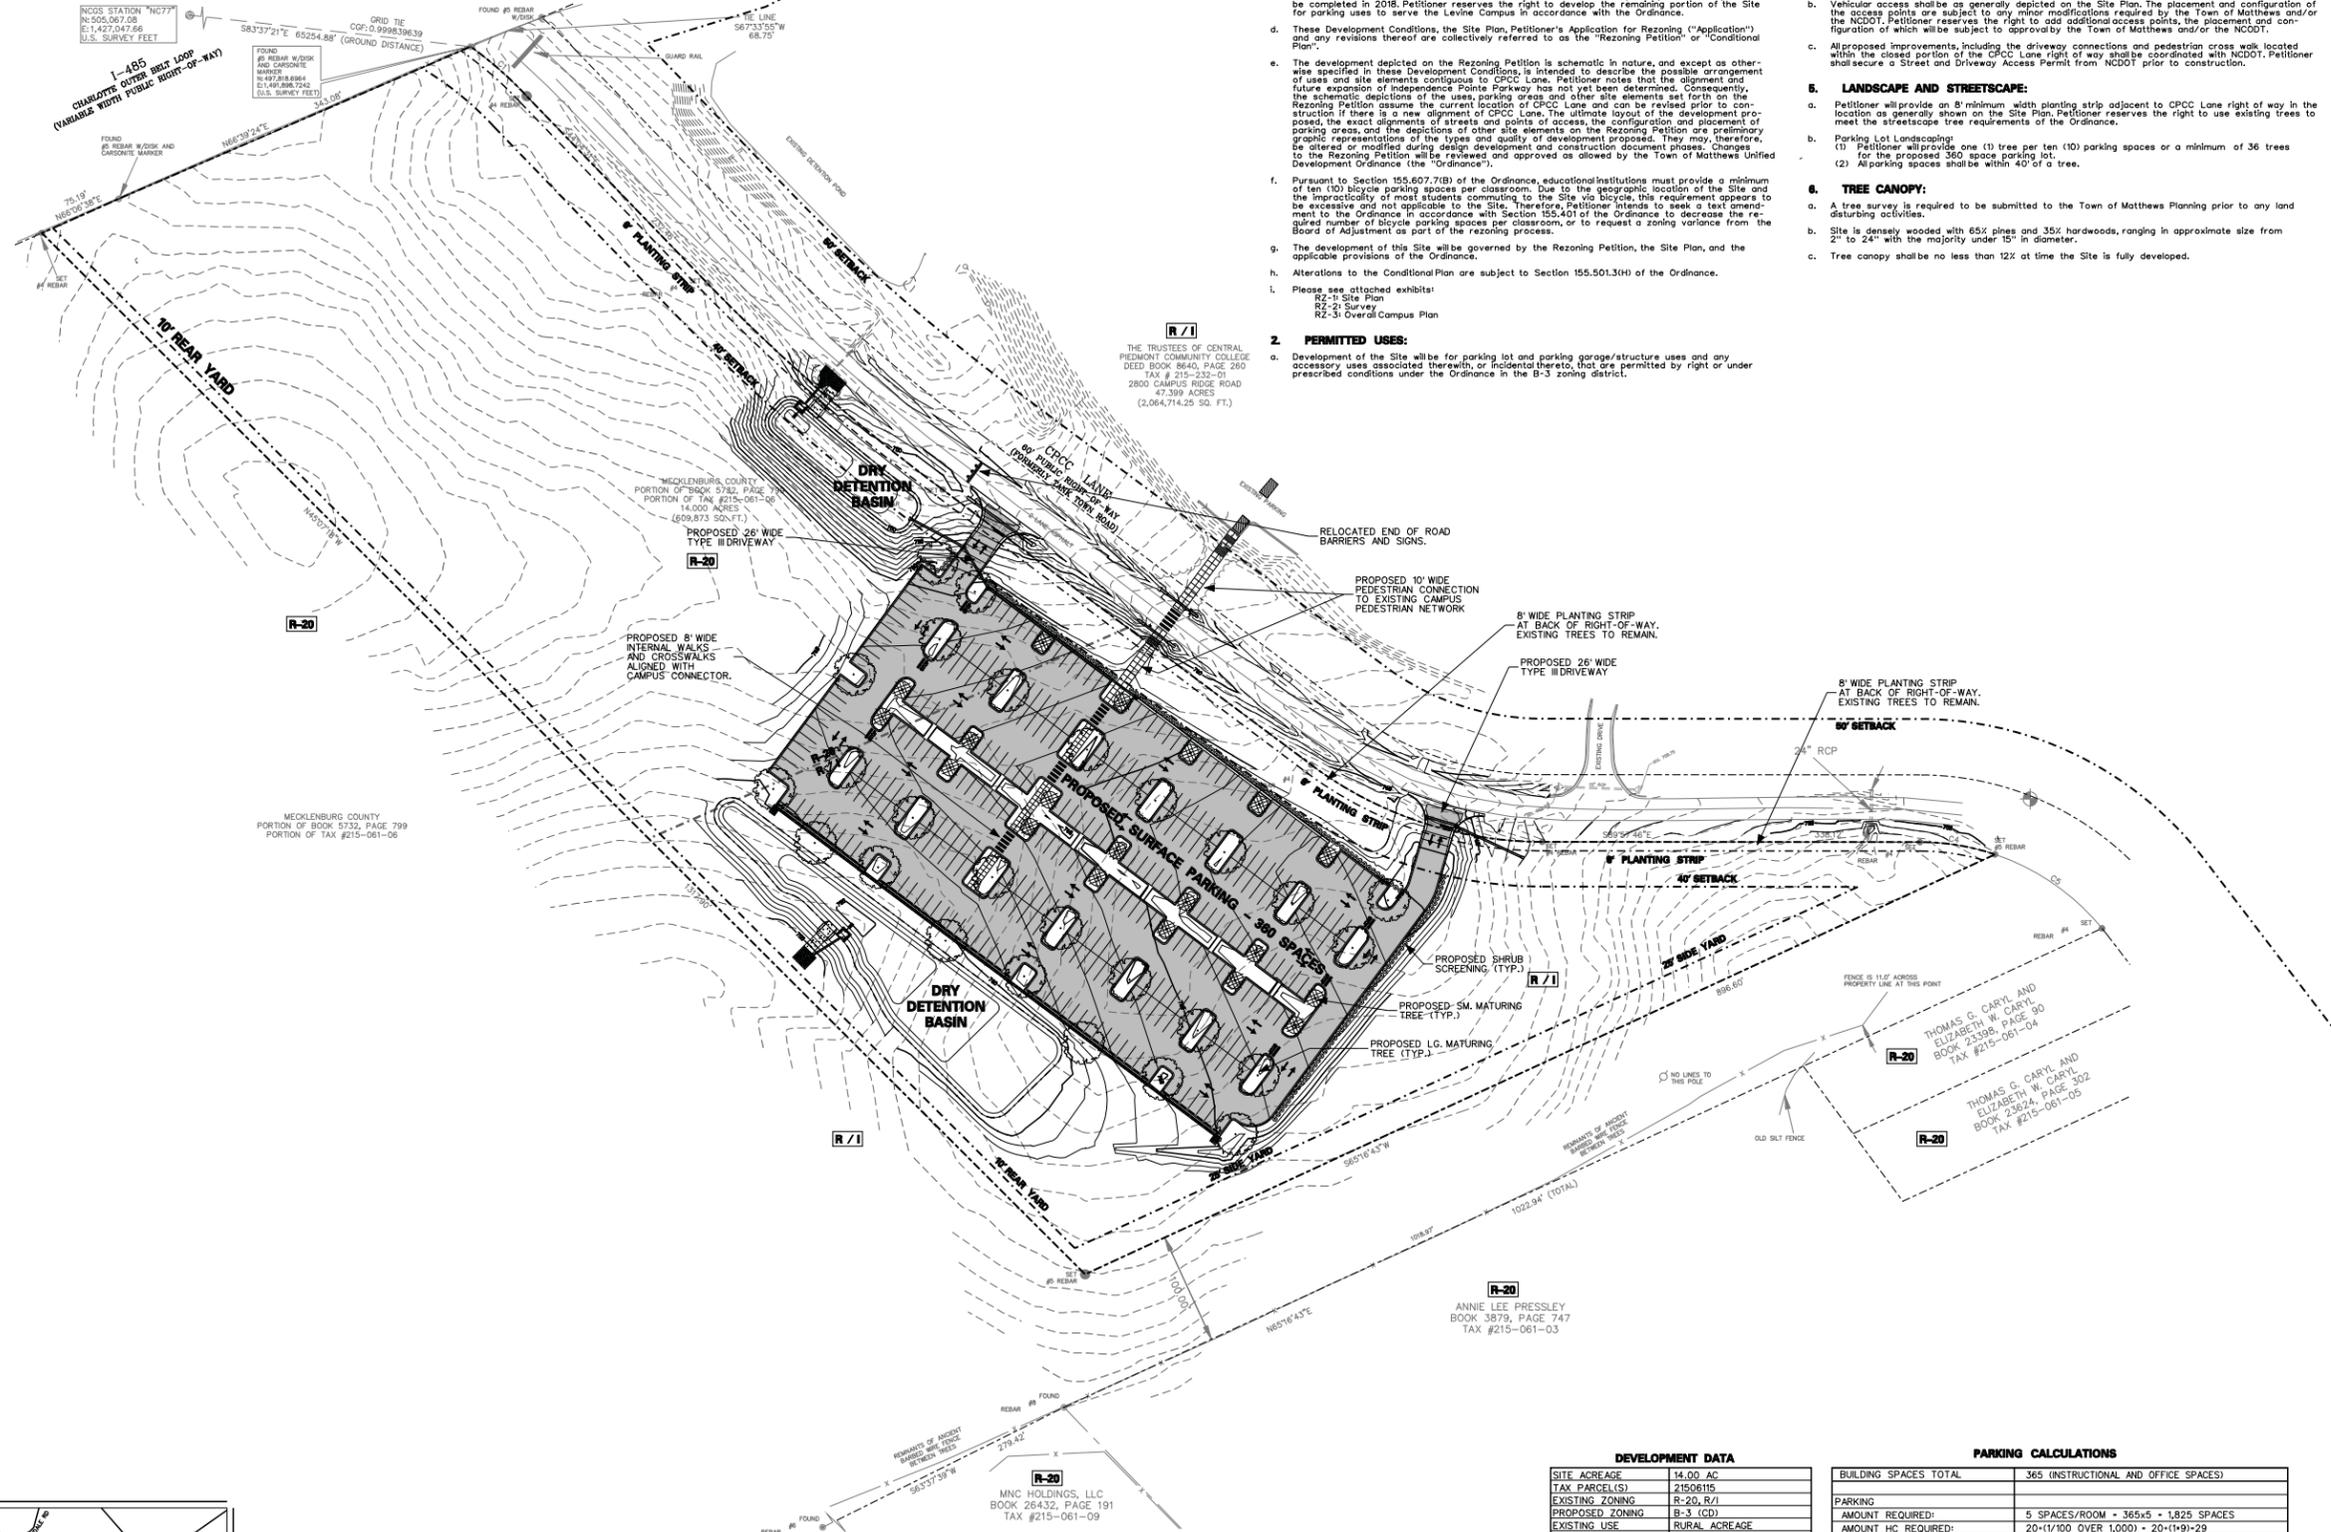

- In connection with rezoning the Site, Petitioner has obtained a Traffic Impact Analysis ("TIA") prepared by Design Resource Group and having Project No. 306-003 (C2165), which TIA identified the intersection of Mokee Road and Matthews-Indian Trail Road as a potential traffic issue resulting from the expansion of the Levine Campus. To remedy this potential adverse effect on traffic, Petitioner and NCDOT (STIP Project No. R-3329/R-2559) have agreed to share the cost of constructing a full westbound left turn lane on future Mokee Road Extension between the deceleration driveway and Matthews-Indian Trail Road.
- Vehicular access shall be as generally depicted on the Site Plan. The placement and configuration of the access points are subject to any minor modification required by the Town of Matthews and/or the NCDOT. Petitioner reserves the right to add additional access points, the placement and configuration of which will be subject to approval by the Town of Matthews and/or the NCDOT.
- All proposed improvements, including the driveway connections and pedestrian cross walk located within the closed portion of the CPCC Lane right of way shall be coordinated with NCDOT. Petitioner shall secure a Street and Driveway Access Permit from NCDOT prior to construction.

**5. LANDSCAPE AND STREETSCAPE:**

- Petitioner will provide an 8' minimum width planting strip adjacent to CPCC Lane right of way in the location as generally shown on the Site Plan. Petitioner reserves the right to use existing trees to meet the streetscape tree requirements of the Ordinance.
- Parking Lot Landscaping:
  - (1) Petitioner will provide one (1) tree per ten (10) parking spaces or a minimum of 36 trees for the proposed 360 space parking lot.
  - (2) All parking spaces shall be within 40' of a tree.

**6. TREE CANOPY:**

- A tree survey is required to be submitted to the Town of Matthews Planning prior to any land disturbing activities.
- Site is densely wooded with 65% pines and 35% hardwoods, ranging in approximate size from 2" to 24" with the majority under 15" in diameter.
- Tree canopy shall be no less than 12% at time the Site is fully developed.

- 1. GENERAL PROVISIONS:**
- These Development Conditions form a part of the rezoning petition filed by Central Piedmont Community College ("Petitioner" or "Owner") to accommodate the future development of an approximately 14.0 acre site located at 1800 CPCC Lane, Matthews, North Carolina, having Tax Parcel ID # 215-061-15, and which is more particularly depicted on the enclosed Site Plan (the "Site").
  - Petitioner desires to rezone the Site from R-20 and R-I to B-3 (CD) so that it will be compatible with its existing Levine Campus to allow for seamless expansion of the Existing Campus and harmonious development of the Site.
  - Proposed plans currently call for the construction of a new 90,000 square foot building on the Existing Campus (Tax Parcel # 215-232-01) to include facilities, classrooms and offices. Proposed development of the Site calls for the construction of a new 365-space parking lot to accommodate the expansion of the Levine Campus. The Levine Campus expansion is expected to be completed in 2018. Petitioner anticipates that the remaining portion of the Site will be used for construction of new buildings thereby further expanding the Levine Campus.
  - These Development Conditions, the Site Plan, Petitioner's Application for Rezoning ("Application") and any revisions thereof are collectively referred to as the "Rezoning Petition" or "Conditional Plan".
  - In connection with rezoning the Site, Petitioner has obtained a Traffic Impact Analysis ("TIA") prepared by Design Resource Group and having Project No. 306-003 (C-2165), which TIA identified the intersection of McKee Road and Matthews-Indian Trail Road as a potential traffic issue resulting from the expansion of the Levine Campus. To remedy this potential adverse effect on traffic, Petitioner and MCDOT (STIP Project No. R-3329/R-2559) have agreed to share the cost of constructing a full westbound left turn lane on future McKee Road Extension between the dealership driveway and Matthews-Indian Trail Road.
  - The development depicted on the Rezoning Petition is schematic in nature, and except as otherwise specified in these Development Conditions, is intended to describe the possible arrangement of uses and site elements contiguous to CPCC Lane. Petitioner notes that the alignment and future expansion of Independence Pointe Parkway has not yet been determined. Consequently, the schematic depictions of the uses, parking areas and other site elements set forth on the Rezoning Petition assume the current location of CPCC Lane and can be revised prior to construction if there is a new alignment of CPCC Lane. The ultimate layout of the development proposed, the exact alignments of streets and points of access, the configuration and placement of parking areas, and the depictions of other site elements on the Rezoning Petition are preliminary graphic representations of the types and quality of development proposed. They may, therefore, be altered or modified during design development and construction document phases. Changes to the Rezoning Petition will be reviewed and approved as allowed by the Town of Matthews Unified Development Ordinance (the "Ordinance").
  - Pursuant to Section 155.607.7(B) of the Ordinance, educational institutions must provide a minimum of ten (10) bicycle parking spaces per classroom. Due to the geographic location of the Site and the impracticality of a most students commuting to the Site via bicycle, this requirement appears to be excessive and not applicable to the Site. Therefore, Petitioner intends to seek a text amendment to the Ordinance in accordance with Section 155.401 of the Ordinance to decrease the required number of bicycle parking spaces per classroom, or to request a zoning variance from the Board of Adjustment as part of the rezoning process.
  - The development of this Site will be governed by the Rezoning Petition, the Site Plan, and the applicable provisions of the Ordinance.
  - Alterations to the Conditional Plan are subject to Section 155.501.3(H) of the Ordinance.
  - Please see attached exhibits:

CAD FILE: CPC37 TOPO.DWG

I, MICHAEL C. SAWHILL, HEREBY CERTIFY THAT THIS MAP REPRESENTS THE CONDITIONS EXISTING ON THE GROUND AT THE TIME OF A SURVEY PERFORMED UNDER MY DIRECTION BETWEEN MARCH 12, 2013 AND MARCH 25, 2013, AND THAT THIS MAP AND FIELD SURVEY UPON WHICH IT IS BASED WAS PREPARED UNDER MY SUPERVISION AND CONFORMS WITH THE STANDARDS OF PRACTICE FOR LAND SURVEYS IN NORTH CAROLINA (SECTION 1600 OF THE RULES OF THE BOARD OF REGISTRATION FOR ENGINEERS AND LAND SURVEYORS). THE PROPERTY SHOWN HEREON MAY BE SUBJECT TO EASEMENTS, COVENANTS OR RESTRICTIONS OF WHICH THE UNDERSIGNED HAS NO KNOWLEDGE.
