Jay,

I've just confirmed that I will be out of town on the 14th. I'd like to be at the hearing, so if it won't be frowned upon by the council members, I'd like to postpone our presentation until the Feb 11th date. Will that work?

Thanks,

Jay,

Confirming our conversation this morning, it is the petitioner's request to postpone the Public Hearing for the property at 500 Matthews-Mint Hill Road until the Jan 14th Town Council Meeting. Please remove the petition from the Dec 12 agenda and include the item for the Jan 14th meeting.

We will continue with the neighborhood meeting scheduled for this afternoon and will respond with a summary of items discussed for your record.

Please "reply all" in your confirmation.

Thank you for your continued assistance,

John
