BE IT THEREFORE RESOLVED, as follows:

1. The Town hereby determines to finance the Project through Branch Banking and Trust Company (“BB&T”), in accordance with the proposal dated December 9, 2015. The amount financed shall not exceed $800,000.00, the annual taxable interest rate shall not exceed 3.16% and the financing term shall not exceed eight (8) years from closing.

2. All financing contracts and all related documents for the closing of the financing (the “Financing Documents”) shall be consistent with the foregoing terms. All officers and employees of the Town are hereby authorized and directed to execute and deliver any Financing Documents, and to take all such further action as they may consider necessary or desirable, to carry out the financing of the Project as contemplated by the proposal and this resolution. The Financing Documents shall include a Financing Agreement and a Project Fund Agreement as BB&T may request.

3. The Finance Officer is hereby authorized and directed to hold executed copies of the Financing Documents until the conditions for the delivery of the Financing Documents have been completed to such officer’s satisfaction. The Finance Officer is authorized to approve changes to any Financing Documents previously signed by Town officers or employees, provided that such changes shall not substantially alter the intent of such documents or certificates from the intent expressed in the forms executed by such officers. The Financing Documents shall be in such final forms as the Finance Officer shall approve, with the Finance Officer’s release of any Financing Document for delivery constituting conclusive evidence of such officer’s final approval of the Document’s final form.

4. The Town intends that the adoption of this resolution will be a declaration of the Town’s official intent to reimburse expenditures for the project that is to be financed from the proceeds of the BB&T financing described above. The Town intends that funds that have been advanced, or that may be advanced, from the Town’s general fund, or any other Town fund related to the project, for project costs may be reimbursed from the financing proceeds.

5. All prior actions of Town officers in furtherance of the purposes of this resolution are hereby ratified, approved and confirmed. All other resolutions (or parts thereof) in conflict with this resolution are hereby repealed, to the extent of the conflict. This resolution shall take effect immediately.

Approved this __________ day of ______________, 2015.

RESOLUTION No. ______________________

RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION FOR APPROVAL OF A FINANCING AGREEMENT AUTHORIZED BY NORTH CAROLINA GENERAL STATUTE 160A-20

WHEREAS, the Town of Matthews desires to purchase the real property at 1050 Devore Lane, Matthews NC 28105 (the "Project") for the following reasons:

1. The Town desires to continue to have a Senior Center available for its citizenry.
2. The Town desires for the operators of the Levine Senior Center to continue to operate under its current management system as a tenant under an approved management agreement.
3. The Town desires to acquire an asset consistent with its current municipal building inventory.

WHEREAS, the Town intends to finance this project by borrowing funds not exceeding $800,000 and securing the loan by granting a security interest on the real property in favor of the lender in accordance with the provisions of 160A, Article 3, Section 20 of the North Carolina General Statutes; and

WHEREAS, findings of fact by this governing board must be presented to enable the North Carolina Local Government Commission to make its findings of fact set forth in North Carolina General Statute 159, Article 8, Section 151 prior to approval of the proposed contract;

NOW, THEREFORE BE IT RESOLVED by the Board of Commissioners of the Town of Matthews that the Town make the following findings of fact:

1. A proposed financing contract is necessary because the cost of the real property exceeds the amount that can be prudently raised from currently available appropriations or available fund balance.
2. An installment purchase contract is preferable to a general obligation bond issue due to:
   a. The relatively low amount of financing needed,
   b. The ability to collateralize using the real property,
   c. The competitive market for short term financing,
3. The sums to fall due under the contract would be adequate and not excessive for the proposed purpose as the Town has significant debt capacity available to handle this short term financing.
4. The Town of Matthews’ debt management procedures and policies are in good standing as the General Fund is using only 3.2% of its available debt margin.
5. The Town of Matthews is not in default in any of its debt service obligations.
6. The attorney for the Town of Matthews has rendered an opinion that the proposed Project is authorized by law and is a purpose for which public funds may be expended to the Constitution and laws of North Carolina.

NOW, THEREFORE BE IT FURTHER RESOLVED that the Finance Officer is hereby authorized to act on behalf of the Town of Matthews in filing an application with the North Carolina Local Government Commission for approval of the Project and obtaining a proposal of financing agreement that acts in the best interest of the Town, and other actions not inconsistent with this resolution.
ADOPTED, this the 14th day of December, 2015.
