Re: Rezoning Application No. 2018-682
Kinger Homes, LLC, Applicant

Dear Jay:

I hope this letter finds you well.

Jay, on behalf of the Applicant, Kinger Homes, LLC, I am writing to respectfully request the continuance of the Public Hearing on Rezoning Application No. 2018-682 from the Town Board of Commissioners' July 9, 2018 meeting to the Town Board of Commissioners' September 10, 2018 meeting. The Applicant is requesting this continuance of the Public Hearing because it just discovered the extent of a stream that runs through the site that impacts the Applicant's development plans for the site. The Applicant needs additional time to consider what options may be available for the development of the site.

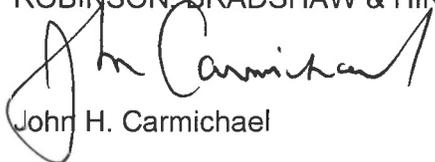

We will attend the Town Board of Commissioners' meeting on July 9, 2018 to answer any questions regarding this request.

Jay, we appreciate your assistance on this matter and the consideration of this request by the Town Board of Commissioners.

Should you have any questions or comments, please do not hesitate to give me a call.

Sincerely,

ROBINSON, BRADSHAW & HINSON, P.A.

John H. Carmichael
