# **KOREAN / VIETNAM WAR EXHIBITS**

## **Welcome Home**

The exhibit will display the personal memorabilia of local area Veterans who will be there in person to speak with visitors and to each other, to tell a story or two, and to let the community get acquainted with them. It's purpose is to be a visible testament honoring the service, valor and sacrifice of Korean/Vietnam War Veterans and to personally welcome them home. Come join us at the event in your own way and time, see the pins on the maps where they were stationed and shake the hand of those who stood a post on those walls for all of us.
