Matthews Town Hall/Library Building

Blocked Off Parking/ Lanes Of Travel /Sidewalks

The roof of this building is going to be torn off and replaced in sections. Each day, the construction crew will block off sections of the parking lot, sidewalk, and lanes of travel for the section of roof being done on that day. Please see picture above for highlighted areas that will be affected. Please be aware on these days for any traffic pattern changes around the building. The construction crew will have people on the ground to guide vehicles as well as pedestrian traffic in and out of the building when work is being done in front of an entrance. We are sorry for any inconvenience.
